

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

December 18, 2003

Re: Invention: **Process to Fracture Connecting
Rods and the Like with Resonance-Fatigue**

Application No.: **10/643,910**

Filed on: **August 20, 2003, which is pending claims the
benefit of 09/599,409**

Country: **United States**

Inventor: **Guirgis, Sameh**

The Commissioner of Patents and Trademarks
WASHINGTON, D.C.
U.S.A. 20231

Dear Sirs:

Request for Correcting Inventorship

Applicant respectfully requests the deletion of the name of **Sudip Bhattacharjee** who was named as an inventor and an applicant in the declaration and declares that he is the sole inventor and the sole applicant for the patent application referred to above. Please find attached a money order for the sum of US\$130, the required fee for this request.

Regards,

Sameh Guirgis
